

Congregation of the Poor Brothers of the Immaculate Heart of Mary

# Epistola Tombo

To My Venerable Brothers, Priors, Subpriors, Clergymen and Secular

Venerable Brothers, Salutation and Prior Blessing

†Hail Mary!

**D**ear brothers and sisters, I come through this to clarify all the secular faithful who accompany us, as well as the Clerics and Religious. After a great discernment made by me as Founder and General Prior of this Congregation, as well as by my Friars Brothers, that the government of their souls was entrusted to me, by God. After a long time of prayer, and in the Extraordinary General Chapter, it was decided the change of our position, after too much study of the unfortunate situation that the Holy Mother Church is in, as well as what the Holy Tradition tells us, the Magisterium and the Holy Doctors; we realize that a declared heretic, or who clearly practices heresies, cannot be Pope. We renounce all the Antipopes of the Vatican II Devil's Council, with their heresies and their bad fruits. Therefore, exercising our right of free will, consciously to remain united with the Holy Mother Catholic Roman Church, we as the Congregation of the Poor Brothers of the Immaculate Heart of Mary, this Congregation which lives under the spirituality and Holy Conceptual Rule, founded by Saint Beatrice of Silva, we declare ourselves officially Sedevacantists, all of us as Friars as well as our Congregation, until one day by Divine grace, a legitimately elected Pope will ascend to the Holy Chair of St. Peter. We officially support the Sedevacantists Bishops, especially His Excel. Rev. Mons. Daniel L. Dolan, Your Excel. Rev. Mons. Donald L. Sanborn, Your Excellency. Rev. Mons. Geert Stuyver, Your Excel. Rev. Mons. Joseph Selway and His Excellency. Rev. Mons. Andrés Morello; as well the Priests, Religious and Secular Sedevacantists. Let us fight, therefore, my dear ones, for the Social Kingship of Our Lord Jesus Christ, for the reparation of the Immaculate Heart of Mary, for the restoration of the Holy Mother Church, and for the destruction of heretics with their heresies. Finally we declare the Vacancy of the Holy See since 1958, with the death of Pope Pius XII. **"Non Habemus Papam!"**
